We live in a time when the body of Christ, after a long time, is finally recognizing once again that apostles and prophets are the biblical foundation of the church. I take my hat off to Apostle Naomi Dowdy for hearing clearly what the Spirit is saying to the churches and for her uncompromising obedience to the voice of God.

C. Peter Wagner
Presiding Apostle,
International Coalition of Apostles

Rev Dr Naomi Dowdy the Apostle is a Gift of God to the Body of Christ. She empowers others to do the ministry, and is greatly experienced in every field of ministry. She has touched many nations including India. I praise God for her!

Years ago I was impacted by a statement by the British statesman John Morley, "He who does the work is not so profitably employed as he who multiplies the doers." I commend Dr Naomi Dowdy's tireless efforts for evangelism and her passion to "multiply the doers." Her global vision to mobilize the Church to greater outreach elicits my unstinted praise.

John Edmund Haggai
Founder, Haggai Institute

Naomi Dowdy has a passion for God and for helping people to serve Him to their fullest extent. The ministers in my acquaintance have been encouraged and changed by her expertise and teaching. Her insight into cell groups for growing churches come from a lifetime of experience and study of God's Word. I believe her ministry can be a great blessing to those who partake of her wisdom and insight.

TRANSFORMATION in the Church

Through the GLN Cell Church Model

Apostle Naomi has a God-given mandate to restore the Church by bringing the Church back to First Century biblical principles.

Using the Global Leadership Network (GLN) Cell Church Model, Apostle Naomi lays an apostolic foundation for the Church and equips churches to become apostolic cell churches.

Through training and consultation, she helps pastors implement apostolic strategies that result in their churches being transformed and leaders being raised for the Kingdom of God.

We have grown from 2000 in 1990 to over 30,000 today. The GLN Cell Church Model works!

David Mohan
New Life Assembly of God, India

I believe this is the best cell model out there, the best cell model for unity, the best cell model for taking the city. Our people are doing the ministry, touching lives and healing the sick. It's happening all over the city, and it's happening outside the four walls of the church!

TRANSFORMATION by Apostolic-Prophetic Leadership

Through conferences, summits and covenant relationships

Naomi has a ministry to emerging apostles and prophets. As apostles and prophets are being restored, they need to learn how to serve and build up those under their covering, how to flow together with the rest of the five-fold gifts, as well as the importance of character, integrity, family life and relationships.

Through Apostolic-Prophetic conferences and mentoring summits convened by Naomi, they learn the foundational principles of apostolic-prophetic ministry.

Naomi also provides apostolic covering for ministers and churches through Global Covenant Network.

Coming from a generation that lacks mothers and fathers, I was blessed and very attracted to Apostle Naomi's spirit. I think the mantle she carries is a very unique mantle. God has prepared her for a time such as this to minister to this emerging generation.

George Bakalov
Breakthrough Christian Centre, Bulgaria

Apostle Naomi has helped me see a new level of possibilities of what God can do in our day. It gave me faith for the future and power in the present. It is just real apostolic wisdom and insight which really deepens your level of leadership in every area.

Naomi Dowdy is widely recognized as a global leader for apostolic strategies, and the implementation of God's new order and structure in the 21st Century. It is her passion to see the Great Commission realized. Highly sought after by Christian leaders around the world for her counsel and wisdom,

she travels extensively to mentor pastors, leaders and business people, equipping them to fulfill their calling and destiny in God.

For 30 years, she pastored Trinity Christian Centre and grew it from 42 members to a 5000-strong church of global impact. She now serves as the Resident Apostle, speaking into the life of the church and mentoring its leaders. The church has a large lay leadership base, and most of its ministers are home-grown, having been raised and disciplined in the local church.

Among her multiple portfolios, Naomi serves as President-Founder of Global Leadership Network and Founder-Chancellor of Theological Centre for Asia.

Naomi serves as a Council member on the International Coalition of Apostles, of which Peter Wagner is the Presiding Apostle. As a Faculty member on the Wagner Leadership Institute and Haggai Institute, she is very much involved in the teaching, training and releasing of leaders for transformation.
